

## Self Review

There is a thesis statement. It is the last sentence of my introduction and the first sentence of my conclusion. These two statements mean the same thing but are not written in the same words. \_\_\_\_\_ yes \_\_\_\_\_ no

I have topical body paragraphs. These paragraphs have topic sentences which tell the readers what the paragraph will be about. These topics support my thesis statement. \_\_\_\_\_ yes  
\_\_\_\_\_ no

I have at least seven quotes from my text, which support my thesis and prove the point I am making. I put quotation marks around these quotes. I wrote the page number after these quotes. \_\_\_\_\_ yes \_\_\_\_\_ no

My writing shows that I put thought into it. I do not have double words, illogical sentences, run-on sentences, fragments or other errors which interfere with the meaning of the text. I have a thoughtful argument, which is well made. \_\_\_\_\_ yes \_\_\_\_\_ no

My paper is written in 12-point font. It is double-spaced.  
\_\_\_\_\_ yes \_\_\_\_\_ no

If all the YES lines are checked you may give your paper to a peer to review!

If there are NO lines checked please make a list of all the steps you need to accomplish prior to submission.
